those articles. Likewise, if the dealer holds articles in a customs bonded warehouse on which tax has not been paid or determined, the floor stocks tax does not apply on those articles. However, if the dealer on April 1, 2009, holds articles in a customs bonded warehouse or foreign trade zone on which tax has been paid or determined pursuant to 26 U.S.C. 5703(b)(2)(B), the floor stocks tax applies to those articles.

§ 46.208 Unmerchutable articles.

Articles that the dealer holds for return to a supplier because of some defect are not subject to the floor stocks tax. However, the dealer must segregate any such unmerchutable articles and include them in a separate section of the inventory record. The dealer cannot include as unmerchutable any items that may be held because of poor market demand or to reduce the dealer's inventory. If, for any reason, the tobacco products or cigarette papers or tubes that were determined to be unmerchutable are not subsequently returned or destroyed, the dealer must file an additional floor stocks tax return and pay tax on such products plus any applicable penalties and interest.
